

Scaling New Heights of Success

ELASTOMER  inc.

DISTRIBUTOR OF HIGH QUALITY STRIP RUBBER PRODUCTS

The Global Leader in Elastic Rubber Tapes

Elastomer Inc. is one of the world's leading distributor and exporters of Latex (Natural Rubber) and Latex-Free (Synthetic Polyisoprene) Elastic Rubber Products.

Made from the finest imported Natural and Synthetic Polyisoprene (Latex-Free) Rubber, in a state-of-the-art plant in India, Elastomer Inc. products meet the highest quality, hygiene and safety standards.

Elastomer Inc. has qualified rubber technologists with rich experience who can cater to diverse customer needs and develop products accordingly.

The Elastomer Inc. package, consisting of quality, cost, service and delivery, has made it the preferred supplier to some of the biggest names in the industry across the globe.

Elastomer Inc. mission is to satisfy global requirements in a manner that surpasses customer expectations, to execute Total Quality Management at all times and to deliver value without compromise.

FEATURES

RUBBER TYPE

Natural Rubber (Latex) / Synthetic Polyisoprene Rubber (Latex-Free)

DIMENSIONS

- Width : 1.5 mm (1/16") to 900 mm (35")
- Thickness : 0.19 mm (0.0075") to 1.0 mm (0.040")

SURFACE

Plain or Textured. We offer Talc-coated or Silicone-coated Elastic Rubber Tape to suit the customer's lubricity requirements.

COLOURS

The standard colours are Snow White and Grey / Black. Any other colour can be developed on special order basis.

PACKAGING

Our Elastic Rubber Tape comes in continuous length. It is packed in 8 kg corrugated boxes and palletized to ensure sea-worthy packing.

ADVANTAGES

- High Heat Resistance
- Zero Shrinkage in Wet or Dry Conditions
- Excellent Launderability
- Outstanding Wash Resistance
- Tension and Stress Evenly Distributed
- Long Continuous Length resulting in Longer Production Runs
- Resistance to Saline Water, Chlorine and Sun Tan Lotions
- Developed to meet Specific Customer Needs
- Cost-effective

APPLICATIONS

APPAREL

- Underwear
- Intimate Apparel / Lingerie
- Sportswear
- Swimwear

Our Elastic Rubber Tape is used as insert elastic in waist and leg openings of Underwear, arm, leg and neck openings in Swimwear, Shoulder Bindings, Bra Straps, midriff elastic and arm openings in Sports Bra, etc.

Made from Natural Rubber or Synthetic Rubber, as per customer's requirements, our Elastic Rubber Tape serves as an efficient insert elastic.

HOME TEXTILE / AUTOMOBILE COVER

- Fitted Bed Sheet
- Toilet Seat Cover
- Sofa Cover
- Ironing Board Cover
- Car Seat Cover
- Automobile Cover

Our Elastic Rubber Tape is used as insert elastic in Fitted Bed Sheet to ensure requisite elasticity and grip. It is also used in Sofa Cover, Toilet Seat Cover and Ironing Board Cover. An Automobile Cover is exposed to Natural elements and we supply Synthetic Neoprene-based Rubber Tape for this application so as to resist ozone, withstand extreme weather conditions and also maintain a firm grip on the automobile.

MEDICAL DISPOSABLE

- Esmarch Bandage
- Face Mask
- Tourniquet
- Disposable Clothing
- Rubber Sheet
- Shoe Cover
- Inserts in Orthopaedic Drape
- Bouffant Cap

Our Medical Disposable products are available in different widths, lengths and colours. They are made of Latex or Latex-Free Rubber and can be sterilized – Gamma or ETO.

MISCELLANEOUS APPLICATIONS

- Vacuum Bag Closure (Dust Collection Bag)
- Luggage Pocket
- Shock Cord
- Shin Guard
- Swimming Goggle

Our Elastic Rubber Tape is used as a diaphragm in Vacuum Bag Closure (Dust Collection Bag) inside a Vacuum Cleaner and ensures that the dust collected is not thrown out after vacuuming. For Vacuum Bag Closure, our Elastic Rubber Tape is wound on cardboard core.

Rubber Tape is used as insert elastic in Luggage Pocket as well as in varied applications like Shock Cord / Elastic Cord, Shin Guard, Swimming Goggle, etc.
