Grafting Tapes for fruit bearing trees & plants and most of the flowering plants

- ◆ The tapes attach quickly & easily, providing an even pressure over bound areas to help grafts knit faster.
- ◆ Self-releasing strips offer buds protection from the start and deteriorate within a few weeks.
- ◆ Keeps buds moist & secure.

GRAFTING TAPES - SIZES

Length	Width
4 inch	3/16 inch
5 inch	3/16 inch
6 inch	3/16 inch
5 inch	1/4 inch
6 inch	1/4 inch
8 inch	1/4 inch
6 inch	3/8 inch
8 inch	3/8 inch

Customised sizes are available for special requirements.

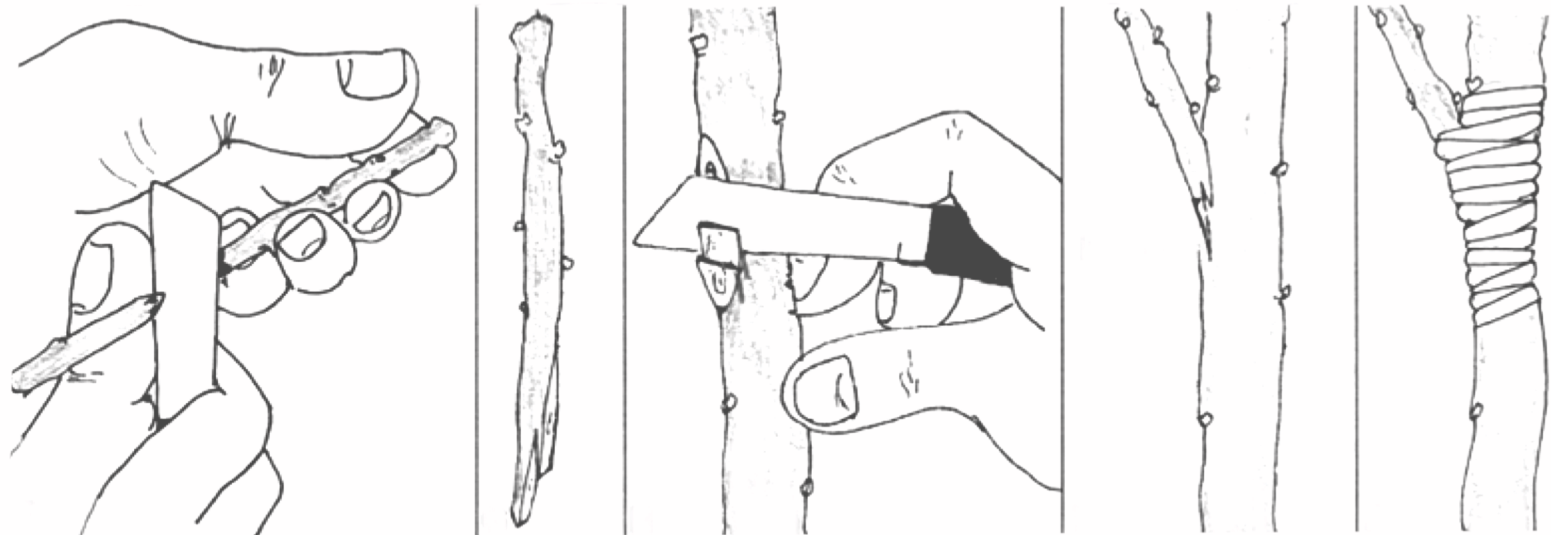

STORAGE

Always keep tapes out of direct exposure to sunlight or UV rays and store under ambient temperature and in closed containers, until ready to use. Exposure to UV radiations will initiate degradation of tapes.

PACKING & STORAGE

7 Kgs boxes of continuous length or 500/1000 pcs per bag in cut to lengths.
